

Home Meeting Host Guidelines

Before

Don't start late and don't talk about the people who didn't show. Even just one person could start an explosion for you.

During

Please sit during presentation and take your own notes this is training

After

Turn on the Music right after the Speaker finishes

Things to say to guests:

"I know there was a lot of information, but what did you like most about what they are doing?"

"Can you see yourself doing this with me?"

"You know you don't want to be left out of this!"

"I'm so excited about this company. We're going to have the best financial year of our lives. There's no way I'm leaving you out if this!"

"Someone's going to make a lot of money doing this; why not *US*?"

"I'm in with or without you. I'd just rather do it with you. Are you in?"
